# Introduction

With the increasing needs for testing system software and solutions that help organizations run high capacity exams with high efficiency and security, NEN is proud to introduce eExam, our latest and most distinctive Testing System Software, utilizing the cutting-edge technology needed to meet the international learning and testing standards, while saving time, costs, and efforts in the process.

# Who we are?

National Education Network (NEN) is an international organization specialized in software development, integrated educational systems, and intelligent testing systems with offices in London, Dubai and Cairo since 2008. We are a strategic partner with the worldwide technology leaders, universities, publishers, and certification bodies and an approved technology consultant by the European Union.

# System

Description -Modules

eexam

# System Description

eExam is an integrated electronic system that is designed to help educational institutions to run and manage high capacity exams that require enhanced security whether on site, at authorized test centers or even at home.

**Vouchers**

**e-Commerce**

**Certificates**

**Benefits and Features**

eexam

# Benefits
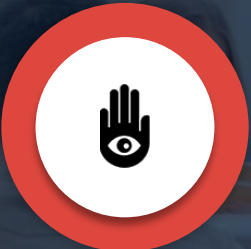

**Time Saving**

**Cost Efficiency**

**Mobility**

**Availability**

**Scalability**

# Benefits Cont.

Monitoring
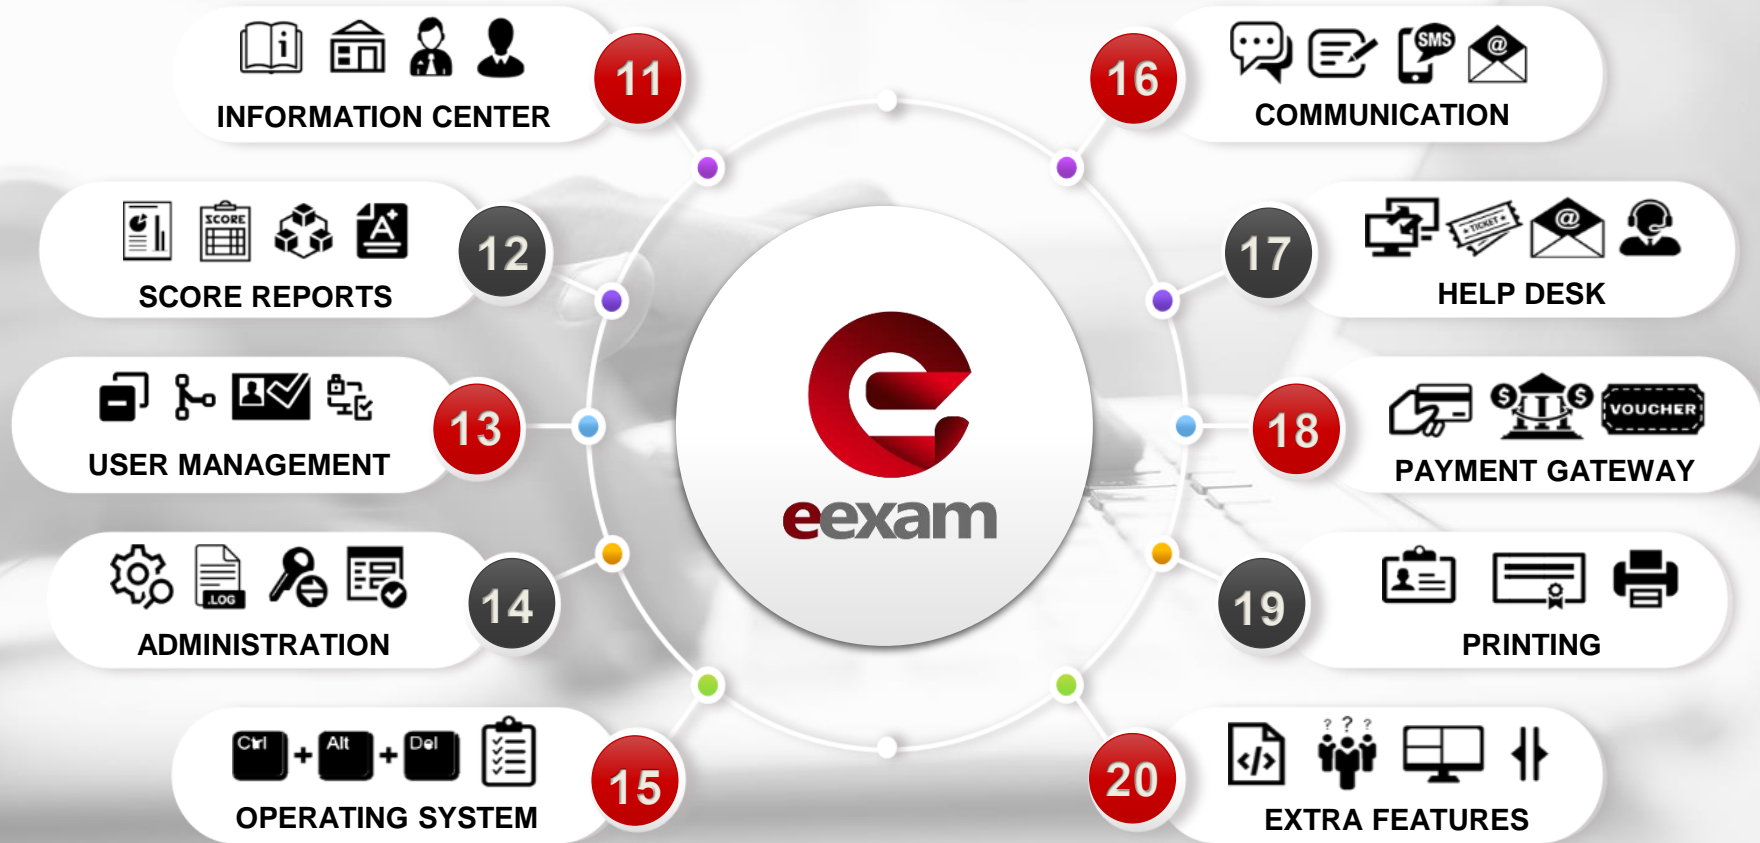

Reporting

Automated Management

Analytics

Skills Evaluation

# Features

**1** TEST DELIVERY

**2** MULTILANGUAGE

**3** ASSISTIVE TOOLS

**4** SESSION MANAGEMENT

**5** OPERATION MANAGEMENT

**6** FORM MANAGEMENT

**7** QUALITY MANAGEMENT

**8** IDENTITY VERIFICATION

**9** TIME MANAGEMENT

**10** SECURED ENVIRONMENT

eexam

# Features Cont.

**11** INFORMATION CENTER

**12** SCORE REPORTS

**13** USER MANAGEMENT

**14** ADMINISTRATION

**15** OPERATING SYSTEM

**16** COMMUNICATION

**17** HELP DESK

**18** PAYMENT GATEWAY

**19** PRINTING

**20** EXTRA FEATURES

**eexam**

# Competitive Advantages

Home Exam - Artificial intelligence - Accessibility

# Home Exam

**Automated Proctoring**

**Online Proctoring**

**Online Support**
